

## Press Release for Designing Out Disability Conference

### Limited Places for the Designing out Disability Conference

On the 19<sup>th</sup> March 2010 the Thurrock Disability Network in partnership with the Community Involvement Board and the Thurrock Council For Voluntary Services will be hosting a major conference at Orsett Hall in Thurrock from 10am-4pm.

This conference will be open to anyone who has an interest in how services are provided, particularly to individuals with disabilities and older people. This event is the third in a series working with residents and commissioners from the Council and South West Essex NHS to work together in identifying, planning and choosing the right services for Thurrock.

The day will also include a presentation on the findings of the peer to peer community study looking into disabled and older peoples views on barriers to community activity.

For more information or to book and reserve your **free** place call 01375 389892 or email [info@tcen.org.uk](mailto:info@tcen.org.uk) by the 14<sup>th</sup> March.
